

MVILLE IN FOCUS

A photograph of a person with curly hair, wearing a red shirt, sitting in a dark chair. The person is seen from behind, looking towards a bright light source in the upper right corner of the frame. The light creates a strong lens flare and illuminates the person's hair and shirt. To the left, there is a blue light source, possibly a screen or stage light, which casts a blue glow on the person's back and the surrounding area. The overall atmosphere is dramatic and focused.

Mville in Focus

Photo Club & Community

At its heart, Mville in Focus is a place for photo lovers of all experience levels and interests to come together. From amateur hobbyists to aspiring professionals, we welcome everyone to share their work, provide feedback to others, learn from each other, and have fun!

After our inaugural year took place virtually, we were more than eager to welcome our members to in-person meetings and events. This year, we were particularly proud to introduce opportunities to collaborate with other on-campus groups to our community. This publication is a celebration of the accomplishments and memories Mville in Focus has seen from our first semester together.
